Introducing...

'BEAT THE BUGS' PUPPET SHOW!

A colourful, musical and fun learning experience aimed at reducing fear of vaccination among children and providing evidence-based support for parents, carers and educators

With the support of **WA Department of Health Immunisation Program**, the Immunisation Alliance of WA are pleased to provide this exciting and innovative puppet show to Perth metropolitan primary schools, childcare centres and community groups. Targeting **children aged 3-8 years**, the show delivers the vaccination message as part of overall healthcare education. Each child receives a complimentary 'showbag' containing a storybook, craft resources **linked to the curriculum** plus evidence-based take-home information for parents and carers.

- ❖ *Incursion!*
- ❖ *Free show bag with crafts*
- ❖ *Linked to the curriculum*
- ❖ *Book for more than one class (Preschool to Year 3)*
