

# WASCA Food Safe Safari General Meeting & Christmas lunch

From paddock to plate our food encounters a number of hazards as well as a number of safety practices to keep us safe from foodborne disease. Join us for an expedition through the stages of production, storage, preparation and serving food in a fun and interactive way.

Tips and procedures from WASCA trainer, Leanne Irwin and Marina Palmieri from DJM Technologies will have your canteen safari ready in no time.

Saturday 19 November 2016  
Mills Park Centre  
86 Brixton Street, Beckenham
