The WA Health Promoting Schools Association Inc (WAHPSA) is comprised of organisations and individuals working in and committed to the development of school health promotion. Many are teachers, some work in dedicated HP roles in schools or community settings, whilst others work in policy and research in the health education sectors. What we share is a commitment to the Health Promoting Schools (HPS) ethos.

Benefits of membership

Full membership provides you/your organisation with:

- a summary of your organisations HPS activities on the WAHPSA website
- the opportunity to provide updates and share information about your organisation/school events at meetings and for dissemination to other members
- reduced registration rates at WAHPSA events
- the opportunity to participate in professional meetings
- the right to vote (ordinary members only) and hold office in WAHPSA
- organisational updates and events can be featured on the WAHPSA website and in regular e-newsletters to members.

Membership shall be open to any individual, school, government or corporate body who subscribes to the Association's aims and objects and who agrees to be bound by its constitution.

All members are eligible to be listed on the WAHPSA website.
