

## Kidsafe WA in the Midwest Free Community Workshops

**Monday 20<sup>th</sup> – Thursday 23<sup>rd</sup> May 2024**  
**Geraldton and surrounds**

Kidsafe WA is the leading independent not-for-profit organisation dedicated to promoting safety and preventing childhood injuries and accidents in Western Australia. Kidsafe WA works in the community to educate and inform parents and children on staying safe at home, at play and on the road.

Kidsafe WA are visiting the Midwest region in May to deliver a range of child injury prevention services including our parent and professional workshops.

### Workshops (free of charge)

#### **Parent Workshop – Keeping Kids Safe**

*Suitable for groups of parents, grandparents, and carers of children 0-5. This workshop focusses on common childhood injuries and how to prevent them. Topics include falls, poisons, burns and scalds, and transport safety - (45 minutes – 1 hour)*

#### **Professional Development Workshop**

*Suitable for child health nurses, community leaders, childcare workers, and other allied health professionals. This workshop covers the latest information on child injury prevention - (45 minutes – 1 hour)*

### Child Car Restraint Services (fees apply)

#### **Community Child Car Restraint Checking Day:**

*Book our qualified Type 1 CCR Fitter to set up in a location of your choice to offer child car restraint checks to community members. Suitable for local governments and community organisations.*

- Prices vary.

#### **Choosing & Using Child Car Restraints Workshop:**

*Suitable for parents and carers. This workshop covers the most common questions asked about child car restraints - (30 minutes – 1 hour)*

- \$110 for one session.

#### **Back to Basics: Transporting Children Safely on Every Trip Workshop:**

*Suitable for childcare and community services, or anyone transporting children in their role. Includes 1 hour presentation and 2-hour practical skills session - (~3 hours)*

- \$555 for one session
- Max 10 participants

Partners:

Government of Western Australia  
Department of Health
